Primary Subject: Librarian's Instructional Role

Secondary Subject: Children's and Young Adult Programs

Placing value on the importance of preparing students for the future, this book encourages librarians to "learn, leap, and grow" and form community partnerships to create learning experiences both in and outside of school. Innovative learning experiences can have a positive impact on student engagement, empathy, knowledge, skills, and local and global awareness.

This book introduces ideas, materials, resources, and a step-by-step action plan while highlighting how learning experiences meet AASL standards. A user-friendly and invaluable resource for librarians who desire to be Future Ready, it will catapult librarians to the forefront of their practice and support them as they create innovative learning experiences for their students.
